NOTICE TO CONTRACTORS

Bridge Project No. 469 — Improvements to Goldstream Bridge, Wilkinson Bridge, Koksilah Bridge, Holmes Creek Bridge, and Whitehouse Creek Bridge, Trans-Canada Highway.

SEALED TENDERS, marked "Tender for Bridge Project No. 469—Improvements to Goldstream Bridge, Wilkinson Bridge, Koksilah Bridge, Holmes Creek Bridge, and Whitehouse Creek Bridge," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Friday, the 18th day of October, 1963, and opened in public at that time and date. Contractors are eligible if, at the time when the contract is entered into, the contractor was a resident of Canada or, if the contractor is a corporation, it was, for a period of at least one year immediately prior to that time, incorporated and carrying on business in Canada or the owners of a majority of the shares of such corporation were resident, for a period of at least one year immediately prior to incorporation, in Canada.

The widening and strengthening of the existing structures forms the work and includes alterations to existing steelwork, erection of new steelwork, widening of existing concrete roadway decks, and necessary modifications and extensions to substructure elements.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street, Vancouver 1, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the

necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment which is in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
